

PR#019-22

PUBLIC NOTICE

Belmopan. January 21, 2022. 8:55 a.m.

The Ministry of Health & Wellness advises the public that as of February 1, 2022, there will be no AstraZeneca vaccines available at the COVID-19 vaccination sites.

The ministry invites the following persons to visit the nearest COVID-19 vaccination site to be vaccinated:

Persons needing a first dose

Persons who received a first dose of AstraZeneca eight weeks or more ago

Persons requiring a booster dose – three months after second dose

Ends
