PRESS RELEASE

Changes in the Pump Price of Fuel Effective July 30, 2020

Belmopan. July 29, 2020. 5:00 p.m.

The Ministry of Finance announces that on July 30, 2020, the pump price for two fuel products will change.

The prices for premium and regular gasoline will register as follows:

Premium gasoline will increase by \$0.15 from \$9.21 to \$9.36 per gallon;

Regular gasoline will increase by \$0.05 from \$8.71 to \$8.76 per gallon.

The price changes reflect the current demand and supply conditions of crude oil in the international petroleum market and fluctuations in the acquisition price of refined fuel products in the countries from which Belize obtains its supplies.

The Government of Belize is monitoring the price movements and supply conditions closely and will work with the fuel industry to safeguard the pump prices paid by Belizean consumers.
