## PRESS RELEASE

### Statement from the Office of the Prime Minister

*Belmopan, June 7, 2023.*

The Office of the Prime Minister (OPM) announces that Hon. Magali Marin Young, SC, Attorney General, will leave office at the end of June 2023 and return to private practice.

While Mrs. Marin Young had indicated upon taking office that she would serve in that post for two years, the OPM is pleased that she stayed on for an additional seven months to serve the nation and people.

Her achievements in office were many. Positive changes were made during her tenure, including judicial reforms, legal reform, and law revision, and will be felt for years to come.

The Office of the Prime Minister, and indeed the entire Cabinet which has benefitted from the sound advice given by the Attorney General, thank Mrs. Marin Young for her dedication to professionalism, good governance and sound leadership at the Attorney General's Ministry and wish her all success in her future endeavours.
