PRESS RELEASE

Ministry of Health & Wellness to Host Consultations on New COVID-19 Measures

Belmopan, September 9, 2021. 5:20 p.m.

Following today's announcement by Hon. Michel Chebat, Minister of Health & Wellness, of the implementation of new COVID-19 measures to take effect on October 1, 2021, the ministry will be hosting consultations with stakeholders and the public.

The consultations will provide further explanations on the implementation of the new measures, which will require proof of vaccination to enter public buildings. Dates for the consultations will be announced in the coming weeks.

The Government of Belize encourages Belizeans to get vaccinated and to continue to wash hands, wear masks, and social distance.
