PRESS RELEASE

MoHW Cautions Public on Recall for Jif Peanut Butter Products

Belmopan, May 24, 2022. 11:30 a.m.

On May 20, 2022 the J.M. Smucker Company voluntarily recalled select Jif peanut butter products due to potential *Salmonella* contamination. The Ministry of Health & Wellness has commenced a thorough investigation at major supermarkets countrywide as a precautionary action as Belize imports the products in question. Where these products are identified, they will be seized, condemned and destroyed.

Healthy persons infected with *Salmonella* often experience fever, diarrhea (which may be bloody), nausea, vomiting and abdominal pain.

The attached table includes a list of recalled products along with lot codes 1274425 – 2140425. Lot codes are included alongside best-if-used-by date.
