PRESS RELEASE

Belize Airports Authority Announces Amicable Resolution with Security Providers at No Cost to the Authority

Belmopan, June 16, 2025.

The Belize Airports Authority (BAA) announces that on Friday, June 13, 2025, the BAA has secured deeds of release from both of its security service providers, namely Four Diamond Security Limited and ISecurity Limited. This agreement formally concludes all prior contractual obligations between the BAA and both security companies. The BAA nonetheless continues its investigation into the tendering process utilized to award the airport security contracts and all matters related thereto, and it will take such further steps as may be necessary after the investigation. The BAA also wishes to advise the public that operations continue seamlessly under new arrangements. The Authority is actively implementing its forward-looking security strategy to ensure Belize's airports meet the highest international standards.
