PRESS RELEASE

MoHW Extends Condolences on the Passing of Mrs. Milagro Garel

Belmopan, September 2, 2026.

The Ministry of Health and Wellness extends its deepest condolences to the family, friends, and colleagues of Mrs. Milagro Garel, as well as the World Pediatrics community.

Mrs. Garel dedicated many years to supporting Belizean children and families through her work with World Pediatrics, helping to expand access to specialized medical care and strengthening collaboration with Belize's health system.

Her compassion, dedication, and commitment to improving children's lives have left a lasting legacy that will be remembered with gratitude and admiration.

The Ministry extends its heartfelt sympathies to her loved ones during this difficult time.
